

# *Sandstone Community Council Minutes*

Members Present: Melissa Dietzel, Nancy Wood, Melanie Del Toro, Laurie Brown, Crystal Coates

- Community Council Binders were passed out for all Members

Agenda:

- Discuss School Safety and Digital Citizenship Reports
- Prepare School Safety Safety Digital Citizenship plans with Timelines
- Provide input to the Principal on the Positive Behavior Plan as Needed
- Follow-Up on Timelines and Projects Adopted by the Council.

## Effect Size

An effect size tells us how powerful something is in creating change. It can range from reverse effects to the highest level of effect.

0.4 is considered a “hinge point” or a year’s growth.

Intentional design correlates to the highest effect size.

Highest effect size: Small group, RTI, teacher clarity,

## Positive Behaviors Plan:

CHAMPS and STOIC- Teacher Clarity- Students know the what, why, and how

Principal’s 200 Club

Bucket Fillers

**These plans were approved by the council**
