### Agenda Items:

Go over trustlands and the point of community council. What is the best and appropriate use of our funds. We want to create an environment that promotes literacy

Goals have been set and money placed. Our measurement tool will be reading Acadience MOY and EOY. Changes can always be made along the way.

### TSSA- Teacher Student Success Act

\$68,638 funds 5 paras, \$8,000 in technology software, and any extra funds go to supplies

### Goals:

Use Acadience benchmarks to assess student growth for 85% of students reading at or above grade level

Safe learning environment- Less office referrals and more students learning

Math goal- 75% of students on grade level according to math Acadience

We also cover white ribbon week- Internet safety

School safety- reunification drill, campus security, drill preparedness, handheld radios, etc.
